*Additional bolt-ons from The Secret Bridesmaid can be hired/purchased in conjunction with any of our Amalfi White Package options. Each package includes the delivery, set-up and collection as well as room turn around (if necessary). The florals used down the aisle (meadows/dishes or a selection of bud vases) will become table centrepieces (if this is in your package option). If you would like a standalone archway instead of the mirror dressed, this can be upgraded for an additional £150.

The archway/s or backdrop/s must not be moved once set up and would be an indoor installation only.

Your wedding date is secured by paying a £100 non-refundable booking fee. The remaining balance is paid in two 50% instalments. Balance one is due six months before your wedding. The final, second balance is due six weeks before your wedding.
